Seller's reserve price (if property is to be sold by auction or fixed-date sale)

For the meaning of *seller's reserve price*, see consumer.vic.gov.au/underquoting. When the estate agent or agent's representative receives the seller's reserve price it must be included in this section.

Unit address	N/A – not to be sold by auction or fixed-date sale	Seller's reserve price	N/A

Unit median sale price

This section describes the median selling price for units sold in the same suburb as the units offered for sale, sold in a 3-to-12-month period ending no more than 6 months before this statement was prepared.

Median price	$378,250	Suburb	Diggers Rest

Period - From	April 2026	To	June 2026	Source	Internal Research Department

Important advice about the median sale price: The median sale price is provided to comply with section 47AF (2)(b) of the Estate Agents Act 1980. The median selling price for a property sold in the same suburb or locality in which the property offered for sale is located has been calculated on the sale prices of 51 properties sold during the period specified by the section. Because of the small number of sales, the median selling price is unlikely to be meaningful statistically and should be considered accordingly.

Comparable property sales

These are the three most comparable properties to the unit type or class for sale that were sold **within two kilometres** of the property for sale **in the last six months**.

If there were fewer than three, but one or two, comparable properties, these must be included below.

These properties were used to help determine the estimated selling price.

Reason there are fewer than three comparable properties for a unit type or class

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Fewer than three comparable properties were sold within the relevant period and radius. The lots offered for sale are unique in terms of land size, dimensions, frontage and depth. As a result, there are insufficient sales of lots with sufficiently similar characteristics to provide meaningful comparable evidence.

Sale outcome

The sale price of each property within the unit type or class covered by this PPS must be included in this section within seven days after the unconditional sale unless an application for an exemption is pending or an exemption has been granted.
