Median sale price

This section describes the median selling price for residential properties sold in the same suburb as the property offered for sale, sold in a 3-to-12-month period ending no more than 6 months before this statement was prepared.

Median price: $399,000 Property type: Vacant land Suburb: Pakenham East

Period: from April 2026 to June 2026 Source: Internal Research Department

Important advice about the median sale price: The median sale price is provided to comply with section 47AF (2)(b) of the Estate Agents Act 1980. The median selling price for a property sold in the same suburb or locality in which the property offered for sale is located has been calculated on the sale prices of 93 properties sold during the period specified by the section. Because of the small number of sales, the median selling price is unlikely to be meaningful statistically and should be considered accordingly.

Comparable property sales

These are the three most comparable properties to the property for sale that were sold **within two kilometres** of the property for sale **in the last six months**.

If there were fewer than three, but one or two, comparable properties, these must be included below.

These properties were used to help determine the estimated selling price.

Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Fewer than three comparable properties were sold within the relevant period and radius. The lots offered for sale are unique in terms of land size, dimensions, frontage and depth. As a result, there are insufficient sales of lots with sufficiently similar characteristics to provide meaningful comparable evidence.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
